At Greenlam, we understand that great design starts with the right resources intuitive, accessible, and tailored for professionals like you.

An exhaustive collection of decors and textures, thoughtfully curated through extensive research and presented in a variety of sizes - crafted to suit every creative expression of yours.

A comprehensive e-catalogue to browse our complete offering, anytime, anywhere.

Downloadable full scans for accurate visualisation and presentation.

Certifications and technical data sheets to support your specifications and compliance requirements.

BIM files designed for seamless integration with your preferred design tools, including Revit and SketchUp.

GREENLAM UNIFIED SOLUTIONS

Imagine a space where every element works in perfect unison. With our comprehensive product range, achieving a cohesive and unique design identity is easier than ever. We've curated a complete selection of materials, taking the guesswork out of coordination. It's like having a team of specialists at your fingertips, delivering everything you need for a stunning, unified interior.

Product and décor availability might vary by the region.
Please check the product legend or with your Greenlam Sales Consultant.

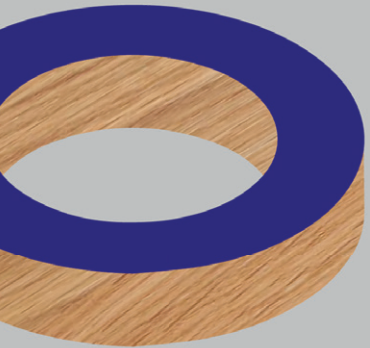

POST-FORMING HPL

COMPACT LAMINATE

HIGH PRESSURE LAMINATE (HPL)

Antivirus & Anti-bacterial Protection

Greenlam laminates are treated with high-efficacy, anti-microbial agents, retarding and eliminating up to 99.9% of commonly found bacteria and viruses, including SARS-CoV-2, which causes COVID-19.

Fire Retardant

Greenlam laminates have been tested to achieve optimal fire-propagation reduction and surface spread-of-flame performance.

NSF Certifications

All Greenlam laminates with decors listed on the NSF website are certified by the prestigious American body, NSF International, making them the safest laminates for human health. Our surfaces can be used in situations where they will have direct contact with food. “Our surfaces have also been tested in accordance with EC directive 1935 with regard to food safety. Our products were proven fully compliant through testing to the demanding EU Food Commission Regulation 10/2011, with successful testing to BSEN 1186-1:2002 & BSEN 1186-3:2022.

***As per the test report, 99.99% of bacteria and viruses get retarded within 24 hours of contact.

^ National Sanitation Foundation

Environmental Credentials

We are proud to exceed the industry benchmark in the area of green certifications. In particular, rigorous tests have shown that Greenlam laminates emit minimal levels of VOCs**, which have the potential to adversely impact the health of people that are exposed, and are certified to be suitable for use in environments where children may spend significant periods of time, such as hospitals and clinics.

TGL-41-R1-11

FSC®: Forest Stewardship Council®. Greenlam provides FSC® certified products on request (Certification No. DNV-COC-002714)

PEFC™: Programme for the Endorsement of Forest Certification™. Greenlam provides PEFC™ certified products on request (Certificate No. DNVSE-PEFC-COC-379)

Specials

The Specials range is crafted to do more than embellish. It layers function with artistry, weaving intricate textures and multidimensional finishes that add intrigue and personality. These surfaces are designed to transform environments into immersive experiences—where every detail matters.

New Textures

Discover four new textures that engage the senses and elevate any space. From the cool touch of stone to the soft weave of fabric and the warm grain of wood, each texture is crafted to be felt as much as seen—bringing depth and authentic materiality to your environment.

**ARAN
(PRN)**

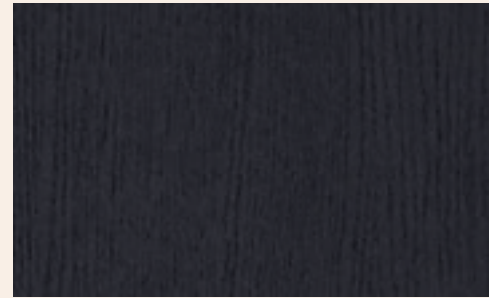

A subtle texture that blends the elegance of handcrafted weaves and artisan fabric, enriching every surface with cozy warmth.

SIZES: 1220 x 2440 | 1220 x 3050

A texture carved by grooves and flowing cathedral grains to bring nature's quiet rhythm to every surface.

SIZE: 1220 x 2440

**BARREL
(WBL)**

A rugged stone texture shaped by natural erosion, blending smooth and cracked details to bring authentic depth and raw beauty to any surface.

SIZE: 1220 x 2440

**CANYON
(PCN, SCN)**

A natural wood texture defined by intricate linear grains, elevating any surface with rich character and timeless elegance.

SIZE: 1220 x 3050

**LINEA
(WLN)**

Note:

The texture page is provided solely as a reference for custom requests. For custom orders with textures, please refer to the texture plate sizes listed and confirm availability and lead time with your representative.

Barrel

Whispering timeless elegance, this soft woodgrain texture blends gentle cathedral grains with serene balance—bringing natural beauty and quiet luxury to every surface.

10 FT LAMINATE ADVANTAGE

Engineered for spaces that demand more, the 10 ft laminate offers extended coverage with fewer joints, creating a cleaner, more seamless finish.

Ideal for high ceilings and long surfaces, it enhances aesthetics while saving time, reducing material wastage, and lowering installation costs.

Perfect for:

- Panelling
- Office furniture
- Large conference tables
- Door applications
- Kitchens and wardrobes

Colours

Color is more than a choice—it's a mood, a moment, a memory. Find your perfect match, from tranquil pastels to statement shades, and pair them with finishes that transform every surface into a sensory experience.

Satin

Smooth to the touch and extremely tactile, the satin finishes invite you to brush your fingertips on the surface.

PRODUCT PORTFOLIO

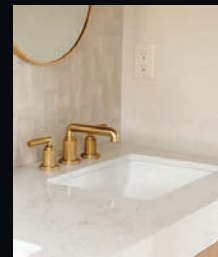

We are not mere makers of surfaces.
We are makers of a new beginning.
Dreamers of design possibility.
Every laminate, compact, veneer, floor, ply, chipboard, and door,
Promises craft, care, and cohesion.
Together, these surfaces offer a seamless, unified solution.
How, you ask?
By crafting elements that complement each other perfectly
And designing spaces that exude harmony effortlessly
For we believe design is not decoration.
It is transformation.
A quiet revolution that begins on a surface.
Because what we make
Is not the end.
It is the beginning of something better.

LAMINATE AND ALLIED PRODUCTS

POSTFORMING LAMINATE

Designed exclusively to enhance the aesthetics of your interiors while preventing water seepage in crevices and moisture retention. Armed with added flexibility and malleability, the application on shutters, counter tops, furniture tops etc.

COUNTER TOP LAMINATE

A perfect fit when it comes to kitchen and bathroom settings, these laminates are remarkably elegant, modern and at the same time are resistant to stains, moisture and abrasions. Available in a wide range of decors to add to your taste of stylish interiors.

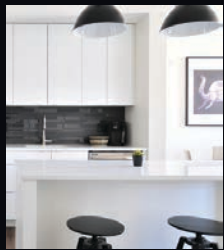

LEXUS 1.50MM LAMINATE COLLECTION

The Fluted Laminate Collection in 1.50 mm thickness is a mark of innovation and aesthetics in the surface solutions industry. Engineered for superior durability, it offers an exclusive range of decorative laminates inspired by 3D fluted patterns, delivering depth and design versatility.

ELECTROSTATIC DISSIPATIVE HPL & COMPACT

Static electricity isn't just a nuisance – it costs billions annually. Greenlam's Electrostatic Dissipative (ESD) Compacts and Laminates offer a cutting-edge solution for high-risk environments. Engineered with advanced technology, they safely dissipate static charges, reduce the risk of sparking, protect sensitive equipment, and prevent dust buildup – ensuring a cleaner, safer workspace.

HD GLOSS LAMINATE

A superior gloss laminate empowered with the best in class Scuff, Abrasion and MAR resistance to resist permanent deformation or micro scratches resulting from the application of dynamic mechanical force.

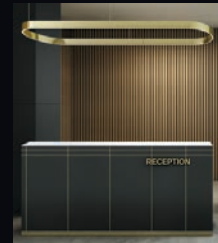

DECOLINER LINER GRADE LAMINATE

Range of low maintenance liner grade laminates that add a new dimension to your craftsmanship. Make your cabinets, workspace partitions, cupboards, back panel of kitchen & wardrobes as beautiful inside as they are outside.

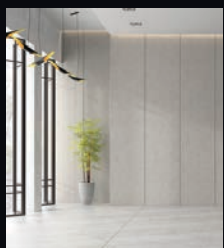

DOOR SPECIAL LAMINATE

A range so perfectly fit for doors, these laminates not only clad your doors seamlessly but also make them look beautiful. Available in a specialised 3'x7' size to cater to your every need.

A F X ANTI FINGERPRINT SURFACES

A revolutionary ultra-matt surfacing solution from Greenlam that looks so beautiful you cannot resist touching it. Touch all you want because the craftsmanship that leaves a lasting impression ensures no fingerprint or stains spoil its beauty. Designed for both horizontal and vertical applications, These laminates and compacts are anti-virus, anti-bacterial, hydro, mould, and scratch-resistant too – which means they are easy to maintain and safe.

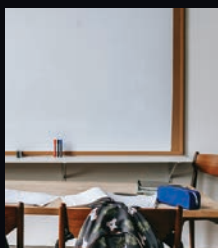

FOUR XTEN

Presenting, exclusive 4' x 10' laminate collection. With its long height and perfect finishing, the 4' x 10' laminate is apt for panelling in spaces with a high ceiling height. It is also a good choice to cover long surfaces in furniture design. It offers seamless finishing to your spaces by reducing the joints.

UNICORE HPL & COMPACT

Designed with a passion for craft and technology, these uni-coloured laminates and compacts discard the dark edges. Made with uniform decorative layers they offer seamless edging, brimming with the same decor vibrancy.

CHALK & MARKER GRADE

HPL & COMPACT

Two premium ranges of laminates & compacts, available in the most popular colours, these laminates and compacts, when wiped or erased, turn spotless and live much longer than the traditional boards in schools and corporate houses.

SANDWICH COMPACT

The result of our cutting-edge technology, these revolutionary laminates have solid coloured patterns over the edges to add an extra edge of magnificence.

DIGITAL & CUSTOM

HPL & COMPACT

Fashioned for the most seasoned of artistic minds, Greenlam Digital laminates and compacts are a range of bold designs that are digitally printed on the panels. These laminates and compacts can also be customised to craft inspirational spaces complementing your persona. Just share your photographs and designs, and we'll convert them into surfaces - just the way you want them.

CLADS

INTERIOR GRADE COMPACT LAMINATES

Interior Grade Compact Laminate crafted to beautify your interiors, made from solid grade high pressure Compact Laminates.

FIRE RETARDANT

HPL & COMPACT

Treated with imported fire retardant chemicals which help in delaying temperature rise, making it resistant to temperature rise and fire. Available in a variety of colours and designs, these laminates and compacts are high in aesthetic appeal and ensure secured environment.

CLADS

EXTERIOR GRADE COMPACT LAMINATES

Exterior Grade Compact Laminates with unmatched GLE technology, designed to make exteriors enthralling and gripping.

LAB GUARDIAN

CHEMICAL RESISTANT HPL & COMPACT

Chemical Resistant Compact & Laminates, designed specifically to shield surfaces from chemical abuse.

Sturdo

RESTROOM CUBICLES & LOCKERS

Presenting a new world of restroom cubicles and locker solutions studded with innovative designs and unique features. Enabling you to design your world your way with its customization feature, it offers you innovative and bold patterns & themes to turn spaces into marvels.

COMPACT LAMINATE

Greenlam Compact Laminates is the quintessential product when it comes to demanding and functional surfaces. Crafted for both vertical and horizontal applications, these durable and self-supporting decorative panels are the right choice for panelling, modular restroom cubicles, partitions, worktops, institutional furniture, and lockers.

SHOWER SURFACES

Tiles have graced your bath walls for ages. And probably that's why, they've gone out-of-date. Here's presenting, Greenlam Shower Surfaces - a surface décor solution designed to make tiles a thing of history. Easy to maintain, durable, and unsurprisingly highly water-resistant, these compacts are here to redefine the definition of style.

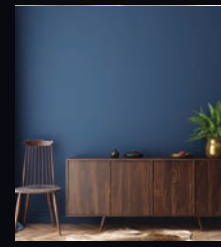

WOOD AND ALLIED PRODUCTS

STRATUS

KITCHEN SURFACE SOLUTIONS

Here's your chance to turn your kitchen into a piece of art with Greenlam Stratus Compact and Laminates. It is a complete kitchen surface solution that includes breakfast bars, countertops, backsplashes, upstands, and island tops. A perfect blend of beauty and utility, these temperature-neutral and easy-to-install kitchen tops bring your kitchen alive through countless textures and designs, in no time.

An innovative transformation of diligently crafted plywood, with its simple, sharp, and an effective range, MikasaPly products come devoid of any confusing features and boasts of great efficacy. The entire range of plywood and blockboard is empowered by The Deca Edge Technology and is manufactured with eco & socio-consciousness by the most advanced machineries at the state-of-the-art facility.

STRATUS

TABLETOP SOLUTIONS

Stratus tabletop compact laminates are an innovative solution engineered to meet the increasing demand for smart and efficient tabletop surfaces. These unique self-supporting compact laminates are heat and abrasion-resistant, providing long-lasting performance. What's more, their anti-bacterial and anti-virus properties ensure a safe and hygienic surface for all your needs.

A premium range of natural decorative veneers that make your interiors naturally beautiful. This exclusive range of veneers brings you the world's most exotic timbers offering you more than 200 species of woods. Available in Natural / Teak / Engineered.

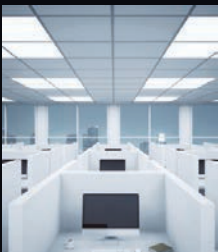

COMPOSITE PANEL

Greenlam Composite Panels deliver superior strength and durability with sleek aesthetics. Perfect for workstation partitions, bathroom doors and other self-supporting vertical applications. They ensure long-lasting performance and low maintenance.

Mikasa real wood floors, produced in India for the first time, draws inspiration from a Spanish phrase "Mi Casa, Su Casa", which means my home is your home. Mikasa is inspired by wood. Each piece of wood is enhanced using the latest technology, thus bringing out the true character of wood. It offers the largest collection of engineered wooden flooring in various thicknesses and sizes. We create the finest floors. For those who have the finest taste.

MFC

PRELAM CHIPBOARD

Fused with excellent machinability, superior screw-holding power & smooth surface finish, these Melamine Faced Chip Boards are crafted to add perfection to the spaces. Offering a very wide range of stunning designs, they are ideal for both commercial and residential spaces.

Unlike traditional doors, Mikasa offers complete door solutions. Ready to fit, engineered from real wood, superior factory-finished products make you look at the doors in a whole new light.

Maintenance Manual

Maintaining the luminous shine and looks of GREENLAM® laminates is easy. Just follow these simple methods for optimal durability of the laminates:

CLEANING PROCESS

1. DAMP CLOTH OR SPONGE

A damp cloth or sponge is all you need. You can also use a mild soap or detergent to clean the surface.

2. DETERGENT

In cases of difficult stains such as coffee or tea, do not fret. These can be easily removed using a mild household cleaner or detergent.

3. BAKING SODA

If the stain becomes stubborn, use a little baking soda and water, and apply with a soft bristled brush. But remember excessive scrubbing or exerting too much force may damage the decorative surface, especially if it has a gloss finish.

PRECAUTION

1. HARSH CHEMICALS

Oven or drain cleaners will etch and discolour the decorative surface. In case of spillage, remove immediately, rinse and wipe dry.

2. HOT OBJECTS

Protect the surface from the heat generating appliances by using a trivet or insulated pad. Prolonged exposure to high temperature may result in separation of the laminate from the substrate.

3. SHARP OBJECTS

Never use knives or other sharp objects directly on a decorative surface. Use cutting boards to protect the laminate top.

4. IMPACT

Be careful not to drop heavy objects or hammer directly on the surface. Even though high-pressure decorative laminates have excellent impact resistance, chipping or cracking may occur as a result.
